

# **The 6<sup>th</sup> Annual Flagstaff Star Party**

## **September 26, 27 and 28, 2019**

**The event is hosted by the Flagstaff Dark Skies Coalition, the Coconino Astronomical Society, the Northern Arizona University Department of Physics and Astronomy, the Flagstaff Unified School District, Lowell Observatory, and the U.S. Naval Observatory.**

**Astronomy Club members throughout Arizona are invited to bring their scopes and share the wonders of the universe with the public.**

**Telescope hosts are invited to an informal reception at Lowell Observatory**

**If you would like to volunteer to be a telescope host, please visit the Flagstaff Star Party Website ([flagstaffstarparty.org](http://flagstaffstarparty.org)) and look for the Telescope Hosting link to get more information.**

**Background Photo: Site for the Flagstaff Star Party, Flagstaff's Buffalo Park —stars like no-one would imagine in the middle of a town of 65,000 people.**
